Teams wishing to form a club must declare a club contact that would need to register the club and teams in the VRS and handle all official matters. The formation of a club must be declared at the point of team registration.

### 4.3 Vertical Movement within a Club

As long as no Volleyball Canada regulations are contravened (making a team ineligible for National Championships), Youth teams may use lower age players from that same club in a VNB competition including Provincials. These players must meet all eligibility requirements.

### 4.4 Lateral Movement within a Club

For clubs that have two or more teams in the same club, lateral movement is defined as a maximum of two players moving from roster A to roster B.

### 4.5 Player Transfers

- Unless different PTA regulations exist, all players are free agents at the end of the playing season.
- Once a player has completed the registration process with a specific team, a player may not transfer without consent from the PTA

14U/15U/16U/18U Male + Female North-South Rule: Teams must participate in at least two (2) sanctioned tournaments to play in the Provincial Championships. One of these two tournaments must be played in the South and the other in the North in order to be eligible to play in Provincials.

\*\*New rule- Female teams must also abide by the North-South Rule. \*\*

#### **5.4 Player Eligibility for Provincials**

VNB requires that athletes participate in at least one (1) tournament before Provincial Championships.

#### **5.5 Tournament Regulations**

Teams may register on a first-come first-served basis for the tournaments of the league that they are registered to play. Teams are not allowed to play down a category. Teams may register for a tournament in one classification above their category of registration (15u can play 16u, 15u can not play 17u), if there are registrations available. Before the registration deadline, a team of a lower league may be bumped out of a league tournament if there is a team within the registered category of the tournament on the waiting list. All registered teams of the same membership category have the rights and privileges of that category regardless of their age. VNB strongly recommends that tournament organizers have 4, 8, 12 & 16 team draws.

#### **5.6 Registration Deadline**

The deadline to register for all VNB tournaments, except for Provincial Championships, is 15 days prior to the event. This will give VNB the chance to better prepare the schedule. The schedule should be sent to teams 3 days prior to the event. Registration for sanctioned tournaments can be done on the Volleyball Registration System.

#### **5.7 Official Game Ball**

The official game ball is the Mikasa MVA200 at all VNB events. (14U-18U)

The official game ball is the Mikasa MVALITE at all VNB events. (13U)

#### **5.8 Uniform Rule**

The uniform rule will be in effect at all VNB events. This means matching shorts and shirts with legal numbers.

#### **5.9 Team Withdrawal Procedure**

- Any team withdrawing from a sanctioned tournament must do so 15 days prior to event. In other words, by the registration deadline. VNB will retain 10% of the registration fee to cover some administrative cost. If any team drops out after the deadline, the registration fee is non-refundable.
- A team that doesn't show up is a "no show" and will not have their tournament registration refunded; they will also be given a warning.
- After the second occurrence the team will be eliminated from participation in the VNB Provincial Championships.
- This sanction could be appealed in writing.
- If local weather or other circumstances prevents a team from traveling to an event, the team contact must notify the tournament host an hour prior to the start of the tournament. If a team is unable to attend due to weather or mitigating circumstances, teams will not be asked to forfeit their tournament entry fee.

#### **5.10 Schedule Times**

The tournament director has the authority (in consultation with coaches and the Head Official) to move matches ahead and/or move matches to a different court than scheduled, in order to avoid delays and shorten the length of the tournament day. Finals will be scheduled no later than 6pm unless otherwise stated by VNB and Age-Class committee

#### **5.11 Format**

Depending on the number of teams, the Volleyball New Brunswick Provincial Championships may be a one or two day event. Playoffs may be tiered, but full positional play downs will not necessarily be scheduled. The VNB Provincial Championship will be scheduled and formatted by the VNB Program Coordinator in co-operation with the Age Class Committee.

#### 5.12 Tournament Cancellation Policy

- No tournament will be held if there are less than 4 teams
- If a tournament host wishes to cancel due to weather or other mitigating circumstances they must do so by 2 pm, the Friday prior to their event. ### 6.0 League Tournaments

#### 6.1 Hosting a League Tournament

- Teams wishing to host a sanctioned league tournament are to contact the VNB Program Coordinator.
- League Tournament hosts will be determined by the VNB Program Coordinator. Tournament organizers will abide by the guidelines set out in the VNB Tournament Host Package.
- Tournament organizers must try to accept all teams that register in from their own division. If host fails to do so for facility reason, another host may run a tournament in a different area of the province. Teams that will transfer from one tournament to another in this format will not be penalized. If tournament spots are not filled the day prior to registration deadline the host may decide to allow teams from another division to fill the empty spots.
- It is strongly recommended that the tournament host provide some sort of prize, medals, plaque, certificate, etc. to recognize the first place team at your own tournament.

#### 6.2 Tournament Seeding

The serpentine method will be used for all tournaments. Teams will be seeded following each tournament and will be posted on the website. VNB will use these rankings to determine scheduling of the tournaments. VNB reserves the right to change the ranking in certain circumstances (same club teams playing each other, too many travelling teams in a pool etc.)

### 6.3 Point System

Rank	Points	Rank	Points

### 6.4 Determining Tournament Rank

To determine the rank of teams entering a sanctioned tournament the following process will be implemented:

1. Calculate the sum of the two highest point accumulations.
2. Divide the sum by 2
3. In the case of a tie the following procedure will be used to break the tie:
  - a. The result of matches played head to head in the most recent tournament.
  - b. The sum of the 3 highest points divided by 3 (if one of the tied teams have not played in a 3rd tournament, the tie break will go to the team that partook in the extra VNB sanctioned tournament.)
  - c. The team with the higher placed finish in the most recent tournament that both teams attended.
  - d. The team with higher placed finishes in all tournaments attended
  - e. Coin toss

### 6.5 Protests

### **7.0 Tie Breaking Procedure**

#### **7.1 Volleyball Canada Rule Book**

If two or more teams are tied at the end of the preliminary round, the following criteria will be applied in the following order:

- (a) The team having the best ratio of won/lost matches, considering matches played between the tied teams, will be ranked higher.
- (b) The team having the best ratio of won/lost games, considering matches played between the tied teams, will be ranked higher.

- (c) The team having the best ratio of won/lost games, considering all matches of the round, will be ranked higher.
- d) The team having the best ratio of points for/against, considering games played between the tied teams, will be ranked higher.
- (e) The team having the best ratio of points for/against, considering ALL games played during the round robin, will be ranked higher.
- (f) As determined by the Organizing Committee (A coin toss, an extra game, etc.)

**7.2 Sequencing**

When you apply this rule to break a tie you should follow this sequence:

1. When two teams are tied, the tie-breaking criteria are applied one after the other until the tie has been broken.
2. When three or more teams are tied, the tie-breaking criteria are applied one after the other until all the tied teams have been ranked.

Note: This means that if there is a tie among teams X, Y, Z and criteria “b” is able to determine X as first, Y as second and Z as third, then no further criteria are to be used. The tie is broken. However, if criteria “b” determines X as first and there is still a tie between Y and Z then the ranking of the remaining teams will be determine by proceeding to criteria “c” and so on, if necessary. Do not start at “a” again. Continue through the sequence of criteria. Also, please note that when the number of teams are not even in each pool, VNB will respect a perfect record and rank that team first of their pool. After ranking the teams within their pool, the ranking for playoffs will be done by using points for/against.
