

2018-2019
INDOOR COMPETITIONS
HOSTING POLICY

VNB Host Responsibilities and Guidelines

Any VNB Registered team is eligible to Host a VNB Sanctioned Tournament. Teams wishing to host a tournament are encouraged to read the VNB Tournament Host Responsibilities and Guidelines. Below is a step-by-step guide to hosting a VNB Sanctioned Tournament. It will detail what you need, who to contact and what to expect:

Step 1 – Picking a Date

Take a good look at the competitions calendar and determine which date would be best for your club to host.

Step 2 – Booking a Gym

It is the club/team responsibility to book a gym for the tournament. This can be done by contacting the school board in your area and apply for a permit for the dates that your club/team is interested in hosting. Your permit may have to include the use of the volleyball poles, referee stands, score tables, benches, score cards, antennae, nets and possibly the use of the changing rooms or an additional class room. You may also have to ask for permission to set up a concession stand. The school board you are dealing with may require a certificate of insurance. As a full member in good standing with VNB your club/team is fully covered by our insurance. Please contact the VNB Program Coordinator and request your certificate of insurance. You may have to pay for the permit/use of the gym prior to the event. This money will more than likely be recovered from the entry fees you will charge.

Step 3-Submitting a VNB Host Application Form

Fill out the VNB Host Application Form and submit it to the VNB Program Coordinator electronically at: abbyrivington@volleyballnb.org. VNB's Program Coordinator will contact you to confirm they have received the form and if you were successful in your application.

Submitting a host application form does not automatically guarantee your club/team will host on the requested date.

Step 4- Running a VNB Tournament

Once you have been informed that you won the right to host a sanctioned tournament, teams will be able to register for your tournament through the VRS system. You can visit the VNB Website (volleyballnb.org) to download score sheets, pool boards, line-up cards and results template.

Your club/team responsibilities in running a VNB tournament include: gym set up, tournament coordination, providing score keepers, identifying a tournament director (they will be the 'go to person' during the event) and contacting your officials zone assigner. VNB also encourages hosts to set time aside after the gold medal match to make presentations and recognize the winning team.

Next look at the results template and submit the required information of your tournament results via e-mail to the VNB Program Coordinator by **SUNDAY AT 7P.M.** VNB needs these results before Monday to update rankings and prepare for the following weekends tournaments.

Hosting Procedures

Tournament Allocation

VNB will determine allocation of tournaments to hosts by ensuring the following criteria are met:

- Tournament Host serves the teams in the league and allows all areas of the province to host and promote the sport of volleyball in their area.
- Allows equal opportunities for all clubs to host.
- A first come first serve basis will be used in situations when the criteria above is fulfilled.

Tournament Schedules

Tournament schedules will be facilitated by VNB (unless otherwise specified) and sent out at least 3 days prior to the scheduled tournament.

VNB will work in cooperation with the host committee to ensure the following criteria are met:

- Each team will receive a minimum of 6 sets.
- No team will play more than twice in a row (unless requested).
- Each round robin match will be given a 50 – 60 minutes time slot.
- Each 2 of 3 match will be given a 1 hour and 10 minutes – 1 hour and 15 minutes time slot.

- Each 3 of 5 Match will be given a 2-hour time slot.

If teams default after Friday at 4pm the responsibility will be placed on the host committee to do their best to ensure that the above criteria are met. Every situation and circumstance cannot be foreseen and interpretation as to how the tournament shall proceed is left up to the host committee.

Tournament Seeding

A serpentine seeding system will be utilized to place teams into pools. The system will first seed teams that have already participated in tournaments of the current season. Teams who are participating in their first tournament will then be seeded based on the previous year's provincial results.

VNB reserves the right to adjust the seeding to avoid teams from the same club/area from playing in the same pool in the preliminary draw as well as if teams need to travel a lot more than other participating teams.

Tie-Breaking Procedures as well as ranking teams for the playoffs

Vocabulary for tie-breaking

Match = best of 3 OR best of 5

Game = set (2/2 OR 3/3)

The following Volleyball Canada Rules will apply, in the following order, in the event that two or more teams are tied at the end of round robin play:

- a) The team having the best ratio of won/lost matches, considering matches between the tied teams, will be ranked higher;
- b) The team having the best ratio of won/lost games, considering matches played between the tied team, will be ranked higher;
- c) The team having the best ratio of won/lost games, considering all matches of the round, will be ranked, higher;
- d) The team having the best ratio of points for/against, considering games played between the tied teams, will be ranked higher;
- e) The team having the best ratio of points for/against, considering all games played during the round, will be ranked higher;
- f) As determined by the Organizing Committee (e.g. extra game, toss of coin, etc.)

When you apply this rule to break a tie you should follow this sequence:

- 1) When two teams are tied, the tie-breaking criteria are applied one after the other until the tie has been broken.
- 2) When three or more teams are tied, the tie-breaking criteria are applied one after the other until all the tied teams have been ranked.

Note: This means that if there is a tie among teams X, Y, Z and criteria “b” is able to determine X as first, Y as second and Z as third, then no further criteria are to be used. The tie is broken. However, if criteria “b” determines X as first and there is still a tie between Y and Z then the ranking of the remaining teams will be determined by proceeding to criteria “c” and so on, if necessary. Do not start at “a” again. Continue through the sequence of criteria. Also, please note that when the number of teams are not even in each pool, VNB will respect a perfect record and rank that team first of their pool. After ranking the teams within their pool, the ranking for playoffs will be done by using points for/against.

In conclusion, here are the steps to follow:

- 1- If no matches (best of 3 OR best 5 – this determines a clear winner) have been played, you must do the won/lost game ratio
- 2- If you still have a tie or have not ranked all the teams, you will do a point ratio. (Add all the points the team has won divided by the sum of the points lost)
- 3- Still a tie? Look if the teams in question have played each other, the tie break goes to the winner of that game
- 4- Last resort, coin toss.

Tournament fees and Charges

Tournament hosts will set a registration fee based on their host expenses and the current season’s acceptable rates.

Host teams will be charged an expense for officials used during their tournament as well as a VNB administration fee that will be a set percentage implemented at the beginning of each season. (2018-19 = 10%)

Following the completion of your tournament VNB will send you an expense form detailing the money you received for team registrations and the charges that occurred during your event. VNB will then cut you a check and mail to you.

Tournament Awards

It is at the discretion of the host committee to:

- To give out team awards based on their performance
- To give out individual awards, such as MVP’s and all stars.
